Video Door Phone

**‘Be Intelligent. Be Safe.’**

## B/W Wired Handset

## Color Handsfree Set

Godrej, a household name, with over a 112 years in the domain of providing security solutions and peace of mind to millions, is committed towards the advancement of security.

This pioneer in comprehensive security solutions, introduces yet another intelligent product measuring up to the highest standards of quality and performance - The Godrej Solus Video Door Phone.

This Video Door Phone is a smart state-of-the-art product which comprises of an indoor unit with a monitor and an outdoor unit with an in-built camera & microphone. A visitor speaks into the outdoor microphone, whilst you identify and converse with the visitor. It helps decide, if you wish to let the visitor in or ask them to leave without even opening the door.

### Features:

- **Extremely elegant and aesthetic:** The Solus range of Video Door Phones are extremely pleasing to the eye and will enhance the décor of the home Interiors.
- **Camera with IR / Night Illumination facility:** Provides clear images even in night.
- **Door Bell Chime:** A pleasant sounding chime automatically triggers the monitor inside and captures the visitor's image.
- **Two Way Audio Communication:** Allows conversation with the visitor from within the comfort and security of the home, without having to open the door.
- **Secret Monitoring:** By pressing the button on the monitor inside, one can preview the scene at the camera location outside. Extremely important for monitoring any suspicious activity.
- **Camera with strong outer casing:** Protects the camera against tampering.
- **Volume / Brightness / Contrast Adjustments:** Allows the quality of image to be set as per one's preference.
