

# Security with Solution

What we do...

**ELECTRONIC SECURITY**  
ASSOCIATION OF INDIA  
NA0060TN

## About Us:

**MISSION:** We at IN4 Solution believe in achieving excellence through our customer satisfaction. Besides business we try to provide unique solution which is tailored and meets every part of the customer requirement.

**VISION:** To be the preferred choice in the field of security solutions, aim to deliver a quality service, consistently exceeding our Clients expectations.

**VALUES:** Enabling clients to become high-performance businesses and creating long-term relationships by being responsive and relevant and by consistently delivering value.

## Creatively meeting your needs driven by solutions!

**IN4 Solution** was set up in the year 2006, as a proprietary concern with the prime objective of developing and giving solutions for Attendance Management System. Soon IN4 solution became a trusted name in Time Management and Access Control Systems as the solutions and services we provided were far beyond the customer's requirements.

Our company proved to be an effective tool to the Management who gradually believed that performance is the key to competitive success. In the current changing scenario we have become a preferred company in the field of security systems providing solutions and extending services in the areas of

- Attendance Management Systems,
- Access Control Systems,
- Guard Patrolling Systems,
- CCTV's

This towering accomplishment was the inspiration for the formation of a Pvt. Ltd. Company from a proprietary concern. Thus IN4 Solution Pvt. Ltd. was registered on 2013 under the Indian Companies Act.

## Track Zone Perspective

### **Tired of tracking attendance and maintaining records? Forget it!**

*Now it's easier to track attendance and manage employee records in our software.*

**Track zone** is a high powered fully integrated software, which offers professional level customization of attendance tracking in addition to efficient management of essential employee records

### **Trackzone Modules**

Time & Attendance Management | Access Control Management | Canteen Management | Payroll Management | Visitor Management | Web based Applications | Self mode employee based attendance system

## Few of our Clients
